FROM: MT WG/CC

SUBJECT: Montana Wing Policy Letter #3 – Change in Proficiency Flying Rates

1. References:

- a. CAP Regulation 60-1(E), paragraph 3-8.
- b. CAP Regulation 60-1(E), attachment 1.
- c. CAP Regulation 60-1(E), attachment 10.
- d. CAP Regulation 60-1(E), attachment 11.

2. Safety is paramount to maintaining our mission readiness. Flying proficiency is but one of the ways we maintain our current safety record.
3. In an effort to promote proficiency flying, we will be lowering the flying charges for B12 and C1 missions to \$15.00 per hour dry. This rate will be good till September 31, 2001 or until the money runs out. You pay for the fuel, and pay your squadron financial officer \$15.00 per hour for your flight for the maintenance fee.
4. This is a limited time offer so make use of the time appropriately.
